Find a Guy

...who calls you beautiful instead of hot...

...who calls you back when you hang up on him...

...who will stay awake just to watch you sleep...

...who wants to show you off to the world when you are in your sweats...

...who holds your hand in front of his friends...

...wait for the one who kisses your forehead...

...wait for the one who is constantly reminding you of how much he cares about you and how lucky he is to have you...

...wait for the one who turns to his friends and says, "...that's her, or that's him"...
