Saved From: <http://www.knowledgebase-script.com/demo/article-488.html>

Nokia N81 is a multimedia phone that comes with dedicated music and gaming keys, 3.5 mm headphone connector and 3G and WLAN connectivity. It is configured to find, buy, manage and play music and games purchased from the Nokia Music Store and N-Gage games service. The Nokia N81 will be available in Cobalt blue or Graphite grey color for 360 EUR (\$490) while the 8GB N81 is expected to retail for 430 EUR (\$585) and available only in Cocoa brown color. Both of them are expected to hit stores in the fourth quarter of 2007.
