"The Nokia N95 8GB opens up a wealth of exciting options for film fans as they can now watch world-class movies like Spider-Man 3 whenever they want, wherever they want. Pre-loading a film with such fantastic special effects truly shows off the device's advanced capabilities. With its ground-breaking features, users can now fully appreciate the meaning of entertainment on-the-go," said Ilkka Raiskinen, Senior Vice President, Multimedia Experiences, Nokia.

The movie will come with ten different languages and with subtitle. The Nokia N95 8GB will also be preloaded with Spiderman(TM) 3 message and ring tone, wallpaper and screen saver. Nokia also announced that they have teamed up with the Sony Pictures Entertainment (SPE) to offer a Nokia N95 8GB preloaded with full-length feature film in Europe and selected countries in Middle East and Africa region.
