

Can you customize this product for my website?

Yes, We can customize PHPKB Knowledge Base Software to match your website's look, feel and color scheme. All you need to do is send us your Website URL and just a few details of how you would like the PHPKB to be integrated in your website.

Though PHPKB knowledge base software is very easy to modify for the look and feel of your website but if you have no experience in PHP, HTML and CSS then we can customize the script to suit your website's look and feel. Our hourly rates are just \$35 per hour and it usually takes only 4-6 hours for the customization.

Have a look at some of the [customized examples](#) of PHPKB knowledge base software.
